# Twin Bears!

Can you find the two Care Bears that are exactly the same?

1

2

3

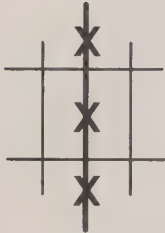

4

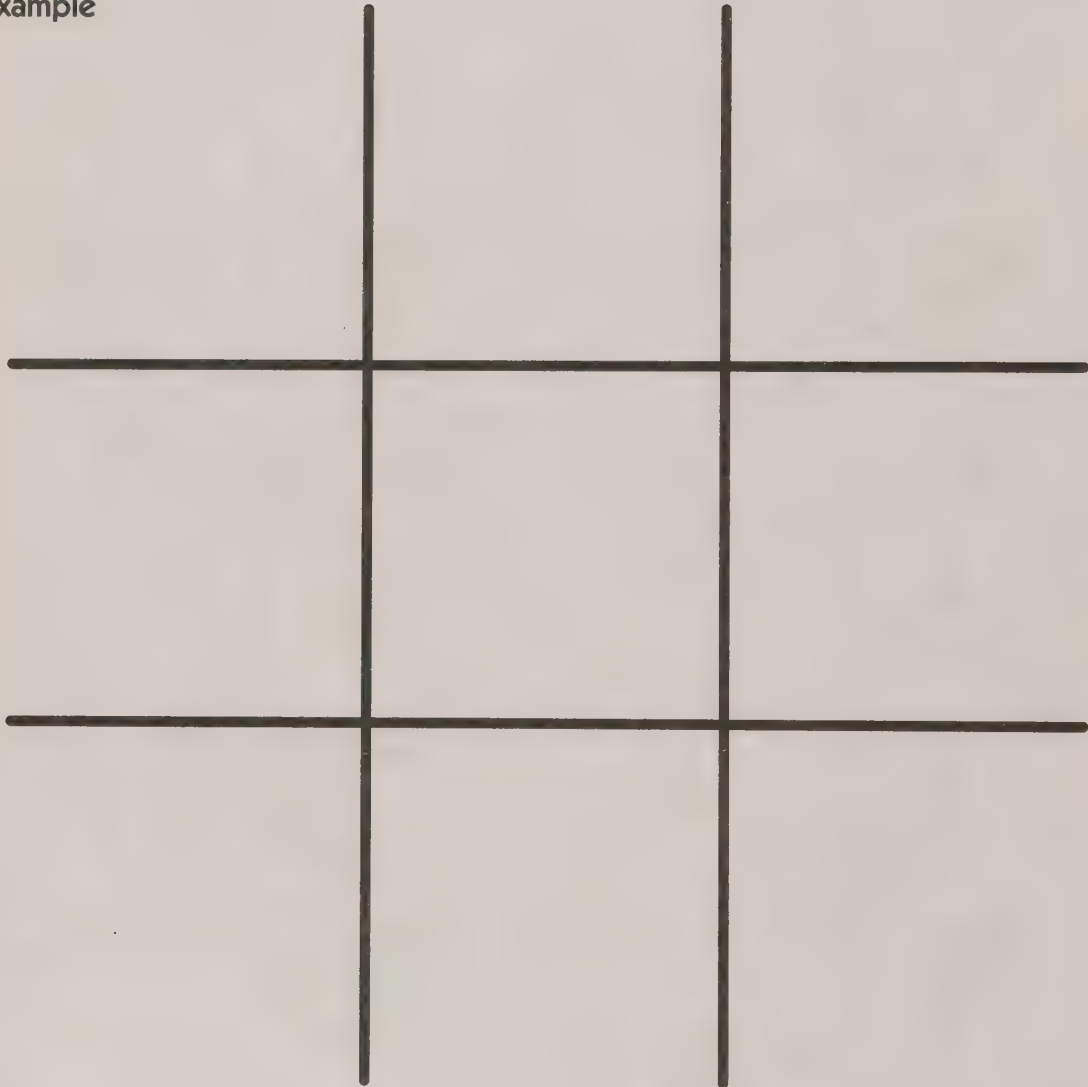

Answer: 1 and 4 are the same.

# Tic-Tac-Toe

The object of Tic-Tac-Toe is to get three in a row. The first player is known as X and the second is O. Players alternate playing X's and O's on the game board until either opponent has three in a row or all nine squares are filled. X always goes first, and in the event that no one has three in a row, the tie game is called cat's game!
